

*Australian*  
**Air League**

F/RO/14/2020  
14<sup>th</sup> December 2020

**FEDERAL ROUTINE ORDER**

**National Redress Scheme (NRS)**

- 1.0 It is advised that the League has been notified that it has passed the Financial Surety Assessment which now enables the final step in the on-boarding process to be carried out.
- 2.0 The final step is the declaration by the Minister for Families and Social Services that the League is a participant in the NRS. This is anticipated to occur in the coming weeks.
- 3.0 Once the declaration has occurred, it is likely that the claims process will be activated soon thereafter. Owing to the nature of the process used by the NRS, most claims will have a high likelihood of being successful.
- 4.0 Further communication on this topic will be forthcoming in mid to late January 2021, once the declaration has occurred, and as the League's members are preparing to commence their 2021 activities.

**Issued for and on behalf of the  
Council of the Australian Air League Inc.**

Comr. Ray King, MSA  
Operations Commissioner
